The Licensee may make reasonable backup copies of the Font Software for archival and recovery purposes, including cloud backups, provided such copies are not distributed.

---

## **5. Termination**

This license is effective until terminated.

The license will terminate automatically if the Licensee breaches any term of this Agreement or applicable License Addendum. Upon termination, all use of the Font Software must cease.

---

The Font Software is provided "as is" without warranty of any kind.

Edu-Aid shall not be liable for any indirect, incidental, or consequential damages arising from the use of the Font Software.
