

# EDU-AID FONT LICENSE AGREEMENT

---

## Version 1.0

This License Agreement (“Agreement”) governs the use of the Edu-Aid font software (“Font Software”), including all font files, styles, variations, updates, and related assets.

By downloading, installing, or using the Font Software, you (“Licensee”) agree to be bound by this Agreement and the applicable License Type.

---

## 1. Ownership & Intellectual Property

The Font Software is the exclusive intellectual property of Edu-Aid (“Licensor”).

This Agreement grants a **license to use**, not a sale.

No ownership rights are transferred under any circumstances.

The Font Software is protected by South African copyright law and international copyright treaties.

---

## 2. License Types

Use of the Font Software is permitted only under one of the following License Types:

- **Individual Educator License**
- **School License**
- **Commercial / Publishing License**
- **App / SaaS License**

Each License Type has different permissions and restrictions.

Use outside the scope of your License Type is **not permitted**.

---

## 3. Individual Educator License

### Who this license is for

A single, named educator or homeschooling family.

## Permitted use

- Personal classroom or homeschooling use
- Creation of worksheets, learning materials, and PDFs
- Printing and sharing outputs with the educator's own learners
- Use on the Licensee's personal devices

## Explicit restrictions

This license **does NOT permit:**

- School-wide or institutional use
- Sharing font files with other educators or staff
- Use in official school materials, templates, or branding
- Standardisation of fonts across a school
- Use on behalf of an educational institution

### Important:

If the Font Software is used as part of a school's teaching, materials, or systems, the school must hold a **School License**, even if individual educators own personal copies.

---

## 4. School License (Annual)

### Who this license is for

A single registered educational institution (school).

## Permitted use

- Use by all employed educators and staff
- Installation on school-owned and educator-owned devices
- Internal sharing of the Font Software among staff
- Creation and distribution of printed and digital materials to enrolled learners
- Use within LMS, classroom platforms, and internal systems

## Restrictions

- Font files may not be distributed outside the institution
- No resale or sublicensing
- No app, website, or SaaS embedding without a separate **App / SaaS License**

## Term & renewal

- The School License is valid for **12 months**
  - Renewal is required to continue lawful institutional use
  - Upon expiry or non-renewal, the school must cease further use
- 

## 5. Commercial / Publishing License

### Who this license is for

Publishers, businesses, and individuals creating paid or commercial products.

### Permitted use

- Creation and sale of printed publications
- Creation and sale of digital products (PDFs, images)
- Embedding fonts in non-extractable documents

### Restrictions

- Font files may not be redistributed
  - App, web, or SaaS usage requires a separate **App / SaaS License**
- 

## 6. App / SaaS License

### Who this license is for

Software, mobile apps, websites, and SaaS platforms.

### Permitted use

- Embedding fonts within applications
- Displaying fonts dynamically in software or online systems
- Distribution of compiled applications containing the Font Software

### Additional terms

- Pricing may be based on users, revenue, or scale
  - Raw font file redistribution is prohibited
  - A separate commercial agreement may be required
- 

## 7. General Restrictions (All Licenses)

The Licensee may **not**:

- Sell, share, rent, or redistribute font files
  - Make the Font Software publicly downloadable
  - Modify, reverse-engineer, or alter the Font Software
  - Use the Font Software beyond the scope of their License Type
- 

## 8. Termination & Enforcement

This Agreement terminates automatically if its terms are breached.

Upon termination:

- All use must cease
- Continued use constitutes copyright infringement

Edu-Aid reserves the right to require compliance or pursue appropriate remedies.

---

## 9. No DRM / No Technical Enforcement

The Font Software is not technically restricted.

Legal permission to use the Font Software is governed solely by this Agreement.

---

## 10. Warranty & Liability

The Font Software is provided **“as is”**.

Edu-Aid shall not be liable for indirect, incidental, or consequential damages arising from its use.

---

## 11. Governing Law

This Agreement is governed by the laws of the Republic of South Africa.

---

## **End of Agreement**
